

Dear Sir,

Greetings from **KPIT Technologies Limited!**

The context of this mail is to invite your students to undertake **“Master’s Degree Internship Program at KPIT Technologies Ltd”**

It brings us great pleasure to introduce our organization & extend our association with your esteemed Institute.

KPIT is a leading-edge Technology company that combines IT & Engineering to create sustainable, safe & smart solutions. It is our mission to improve the state of the industries we serve using our knowledge of both process and technology, also creating new possibilities for clients to improve business processes & systems, implement & adopt better technologies, and bring new & innovative products to the market.

You may find more details about our company at www.kpit.com

We take pride in some of the good work that we have done in the **Automotive Electronics, IOT, Big Data & Analytics, Electric Vehicle Technologies, Enterprise IT for Manufacturing, Transportation, Energy & Utilities** companies across the globe. Please also find enclosed a brief presentation of our company.

Kindly recommend and encourage your Master’s Degree students to apply for Internship Program at our company. If you can help circulate / display the attached Poster, it will a great positive step in this journey. **Students who perform well in the internship will get selected for full time employment at KPIT post internship.**

Please let us know by when we can connect and take this forward. We look forward for an affirmative revert.

P.S.: Master Degree Internship handout which can be placed on career boards and student associations portals.
